

**St Thomas More's Catholic Primary School  
ADMISSIONS POLICY 2018/19**

To educate and inspire every child to fulfil their unique giftedness  
within a loving Catholic community

St Thomas More's Catholic Primary School offers a Catholic education and serves the Catholic parishes of St Joseph's, Havant, St Michael and All Angels, Leigh Park and St Patrick's, Hayling Island. We ask all applying for a place here to respect our Catholic ethos and its importance to our School Community.

The Governing Body of St Thomas More's Catholic Primary has an equal preference admissions policy, which, in the case of over-subscription, means **all** applicants will be considered equally against the over-subscription criteria regardless of the order of schools listed on the Common Application Form (CAF).

A Supplementary Information Form (SIF) will be used by the Governors to prioritise applications. This form follows at the end of this policy on this website, can be obtained from the school office or from the local authority's website. We strongly recommend that the SIF IS completed and returned to the school by 15 January 2018; this is in addition to the Local Authority's application form.

If no SIF is submitted to the Governors then the application will be ranked solely on the basis of the information provided in the Local Authority's application form.

**The Published Admissions Number (PAN) for  
Reception year 2018/2019 is 45.**

### **Tie-breakers**

**Should there be more applicants than places available** in any of the above categories, priority, in the following order, will be given to: Children with siblings (3) who will be attending the school at the time of admission. Children living nearer the school (6)

### **Definitions**

(1) '**A looked after child**' has the same meaning as in Section 22(1) of the Children Act 1989 and means any child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (e.g. child with foster parents) at the time of making an application to the school.

'**Previously looked after children**' are children who were looked after, but ceased to be so because they were adopted. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders) or became subject to a child arrangements order<sup>18</sup> or special guardianship order<sup>19</sup>

(2) **Catholic:** For the purposes of these admissions arrangements, a baptised Catholic means a person baptised in a church which is in communion with the See of Rome or a person received into the Catholic Church

(3) **Siblings:** the children of parents who are married or cohabiting, where the parents and children are living permanently at the same address as one family. It also applies to children being fostered in the family. It may also be applied to situations where full or half brothers or sisters are living at separate addresses. Account will not be taken of siblings in the pre-school attached to the school. Please note that for the sibling connection to be taken into account for the purposes of admission, the sibling must be attending the school in the following year.

(4) **Catechumen:** is defined as a child, who having been admitted to the Catechumenate, is receiving instruction prior to his or her reception into the Catholic Church, and whose baptism or reception is expected to take place by the Easter before admission to St Thomas More's.

(5) **Other Christians:** refers to members of "Churches Together in England, Great Britain or Ireland" A full list of members is available at <http://www.ctbi.org.uk/24>; it refers also to members of churches of the Evangelical Alliance <http://www.eauk.org>  
The definition also applies to churches who are members of Churches Together in England

[http://www.cte.org.uk/Groups/234772/Home/Contacts/Member\\_Churches\\_list/Member\\_Churches\\_list.aspx](http://www.cte.org.uk/Groups/234772/Home/Contacts/Member_Churches_list/Member_Churches_list.aspx) or members of any local Churches Together Group or entitled to be members on the basis of fulfilling the following definition.

"Children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above."

(6) **Distance Measure** Distance will be measured in a straight line from the front door of the child's home address (including flats) to the main entrance of the school, using Hampshire County Council's Geographic Information Systems (GIS), with those living closer to the school receiving priority. The normal residence is defined as the home of the main carer who is the recipient of the Family Allowance. The child's permanent residence is where they live, normally including weekends and during school holidays as well as during the week, and should be used for the application. The permanent address of children who spend part of their week with one parent and part with the other, at different addresses, will be the address at which they spend most of their time.

**Distance tie-breaker:** If two children live at the same distance from the school the place will be subject to random allocation (lottery) overseen by someone independent of the school e.g. member of LA.

## **Additional Information**

### **Special Educational Needs**

For the normal admission round children with a Statement of Educational Needs or Education, Health and Care Plan, which names St Thomas More's school in the statement, will be admitted to the school and will count towards the admission number.

### **Multiple births or same cohort siblings**

If the last pupil to be offered a place within the school's PAN is a multiple birth or same cohort sibling, any further multiple birth sibling or same cohort sibling will be admitted even though this may raise the intake number above the school's PAN. The PAN will remain unchanged so that no other pupil will be admitted until a place becomes available within the PAN.

### **Starting school**

Pupils born between 1 September 2013 and 31 August 2014 (inclusive) are entitled to fulltime schooling from September 2018. By writing to the school stating their reasons, parents can request that their child's admission is deferred until later in the school year (usually at the start of a school term and before the end of the academic year), but not beyond the point they reach compulsory school age, at the beginning of the term following their fifth birthday. Parents can request that their child attends part-time until the child reaches compulsory school age.

Children with birthdays between:

1 September and 31 December 2013 (inclusive) reach compulsory school age on 1 January 2019, at the start of the Spring term.

1 January and 31 March 2014 (inclusive) reach compulsory school age on 1 April 2019, at the start of the Summer term;

1 April and 31 August 2014 (inclusive) reach compulsory school age on 1 September 2019, at the start of the new school year.

Applicants cannot normally defer entry until the following September which is in a new school year. In that case a new application for entry into Year One for that school year would be necessary.

However, parents of children with birthdays between 1 April and 31 August 2014 (inclusive) may wish to request admission to the Reception year in September 2019 rather than admission to Year One. In these circumstances, all relevant factors will be considered in assessing the request; parents would be expected to state clearly in writing why they felt admission to Year R was in their child's best interests. If agreement is reached that a child born between 1 April and 31 August 2014 may start in Reception in September 2019, parents must apply for a place the following year for that year group. If parents have already applied for a place to start in 2018 and subsequently delayed admission is agreed, the application would be withdrawn and they would need to reapply the following year alongside all other applicants. Places cannot be reserved or held from the previous year.

**Parents considering such a request should contact the school in writing in the autumn term 2017 to ensure that an informed decision is made.**

#### ***Admission of children outside their normal age group***

Parents can seek places outside their child's normal age group. Decisions will be made on the basis of the circumstances of each case; parents may be offered a place in another year group at the school.

#### ***Children of UK Service personnel***

Applications for children from service families moving into the area in the normal admission round are considered in the same way as other applications subject to proof of posting to the area and relocation date. This also includes crown servants returning from overseas to live in the area.

If the application is late and is for a starting school place (Year R), the School Admissions Code allows for an admission authority to consider admitting the child (as an 'excepted' pupil) to the school even if it is full. The decision made will be based on all circumstances including those relevant to the family and the child as well as the impact on the school including the provision of efficient education and the efficient use of resources. St Thomas More's school will not admit above PAN + 2 in the case of 'excepted children'.

#### ***Late Applications for Year R***

Late applications will be considered after all applications received on time are dealt with. Parents will be notified in writing.

#### ***Procedure for Applying for Other Year Groups***

Applications for transfer from other schools to any year group including Key Stage 2 (Year 3) in September 2017 will be considered **a maximum of 6 weeks before the end of the previous summer term.**

Applications outside the normal admission cycle will be considered a maximum of half a term before the proposed entry date. **UK Service personnel or other Crown servants** moving into the area can be considered in advance of the move, subject to proof of posting. Allocation of places will be in accordance with the admission policy relevant to the year group in question at the time of entry.

### **Right of Appeal**

Parents have the right of appeal against the Governors' decision not to admit. The appeal will be to an independent panel and a form is obtainable from the school office. There is a time limit for an appeal to be lodged.

Address for correspondence or appeals:

C/o St Thomas More's Catholic Primary School  
Hooks Lane

### **Waiting List**

When all available places have been allocated, St Thomas More's will operate a waiting list. Parents who wish their child to be included on the waiting list must inform the school in writing. Any places that become available will be allocated according to the criteria of the admission policy with no account being taken of the length of time on the waiting list or any priority order expressed as part of the main admission round.

The waiting list will be reviewed and revised:-

- each time a child is added to, or removed from, the waiting list;
- when a child's changed circumstances will affect their priority;
- at the time of receiving an offer of a school place parents will be advised of the process for adding their child's name to a school's waiting list. Parents may keep their child's name on the waiting list of as many schools as they wish.
- the waiting list will be maintained until 31 August 2019, at which point all names will be removed. Should parents wish their child to be considered for a place at the school in the following school year they should complete and submit a fresh in-year application in the August preceding the new school year. The school will send a decision letter within the first 10 days of the new term.

### **Fair Access Protocol**

The LA has a 'Fair Access Protocol' which prioritises admissions for certain categories of school age children. This protocol relates to admission applications throughout the year but not applications for starting school. The protocol will take priority above the school's admission policy for those on a school's waiting list and the LA may require schools to admit above their PAN.

### **Oaklands Secondary School**

Entry to St Thomas More's does **not** give automatic right of transfer to Oaklands Secondary School at 11+. Admission must be sought through the Governors of Oaklands, who determine their own policy and admit children with their published arrangements.

### **St Thomas More's Pre-school**

Attendance at St Thomas More's Pre-School does **not** give automatic right of transfer to St Thomas More's Catholic Primary School. An application as outlined below must be made.
